

## BTX-8000

### BATTERY-POWERED BANDING INSTALLATION TOOL

Hayata introduced the first compact battery-powered banding tool on the market.

**Lighter  
Weight**

**Longer  
Battery Life**

Today, the NEW **BTX-8000** carries on Hayata's tradition of innovation by making the installation of coated or uncoated 1/4" to 3/4" bands easier than ever!

### FEATURES:

- 18-volt Lithium-ion battery delivers longer life,\* recharges in 30 minutes and operates at low temperatures (-4°F / 20°C). Two batteries included. Low battery indicator.
- Lighter unit weight\* and new hex grip design for easier handling during installations
- Delivers uniform tension on each installation for consistent tensioning throughout the job
- Offers more control over tension vs. manual tools, lowering risk of damage to the cable jacket
- Variable torque adjustment – up to 480 lbs.
- Built-in trigger-activated work light
- 5:1 productivity ratio advantage over standard tools
- Easy-to-use manual cut-off lever

Built-in trigger-activated  
LED work light  
for low-light installations

Patent Pending
