

## Coated Cable Marking Ties

Hayata's highly durable coated stainless steel cable ties are a great option for high volume marking and maintenance operations. These fully coated ties resist fading due to weather and harsh environments.

- Easy to install
- Easy visual identification
- Pre-cut lengths come with installed roller ball buckle
- Allows tag to be spun on pipe for easier inspection
- Durable Hayata coating on stainless steel tie
- High tensile strength exceeds industry standards
- Wide variety of lengths and colors
